LAND ON THE RIGHT PROSPECTS

Commercial Aviation Trivia- How much do you know?

Take this short quiz to find out and you'll be entered for a chance to win 50,000 impressions on AviationWeek.com! There's no better way to reach the commercial professionals you're looking for.

[FIND OUT](#)

Innovation is reshaping our industry.

Airbus is using innovation to rethink how they do business. The Boeing 797 Blended Wing plane could reshape the industry. And there are a handful of new European aerospace companies to watch.

Now you can be part of the story. The Aviation Week Network, including Aviation Week & Space Technology, ShowNews and AviationWeek.com will be covering the commercial aviation indus-
